

GF 'Uniquely Yours' Cushion Service

GF Uniquely Yours Cushions

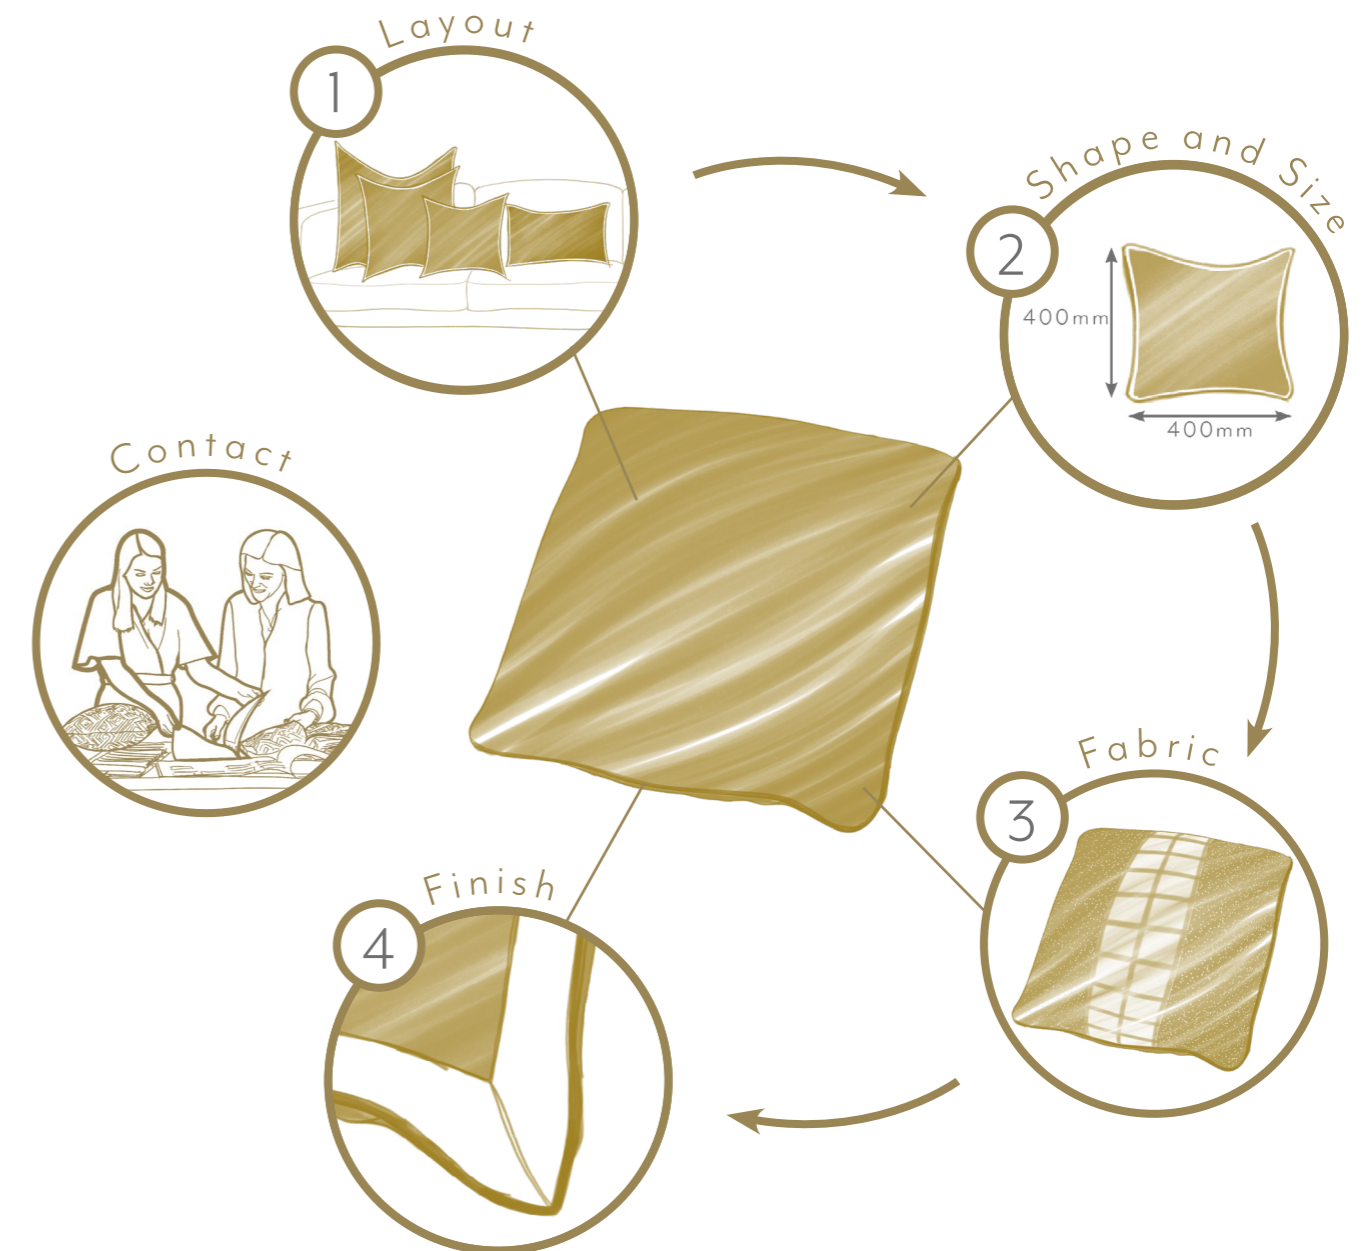

Create your own luxury, bespoke cushion in four steps with our GF 'Uniquely Yours' service. 'Uniquely Yours' is our personalisation service, where we can design and create products specifically to your taste.

To create your cushion, begin by choosing the shape and size you desire to create the perfect layout for your sofa or bed, then simply select your fabric of choice from our extensive range and pair this with your desired edge finish. Once you are happy with your selections, our experts will help guide you through this process considering your favoured styles and the requirements of your project. Within 6 -12 weeks of quote approval, our experts will source, produce, quality check and deliver a unique cushion, personal to you.

Cushions are the perfect finishing accessory to your interior and a fantastic way to add style or alter the look/feel of a room more frequently. By layering colour, texture or patterns, you can be more flexible as trends change as well as retain a timeless look. We have options to suit every taste.

2 Shapes and Sizes

Whether it is a cushion for your bed or your sofa, our cushions come in a variety of shapes and sizes for you to choose from to create the perfect layout to suit your taste. Our cushions are overfilled for maximum comfort with high-quality feather and down fillings.

However, if you require something more specific, we can use hollow fibre and less filling on request as well as create a bespoke size, based on your measurements.

Bolsters

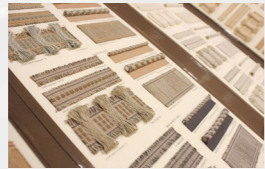

3 Fabrics

Once you have in mind the layout, shapes and sizes, the next step is to select your fabrics and finishes.

Choose from our vast selection of fabric suppliers to suit your taste, whether plain, patterned or textured, we have something for everyone.

Our product experts will find the right fabric to match your design preference. A visit to our showroom is highly recommended, however, fabric options can also be presented to you electronically upon receiving a detailed brief.
